#### NOTE 1. Significant Accounting Policies

Awards WA Inc. (the "Association") is an association domiciled in Australia.

#### 1.1 Statement of Compliance

The financial report is a non–statutory special purpose report, prepared for distribution to the members for the purpose of fulfilling the Board's needs and the requirements of the "Associations Incorporations Act 2015". The special purpose financial report has been prepared in accordance with the recognition and measurement aspects of applicable Australian Accounting Standards ("AASBs") and does not include the relevant presentation and disclosure requirements of the AASBs.

#### 1.2 Basis of Preparation

The financial report is presented in Australian dollars and has been prepared on the historical cost basis unless otherwise stated in the notes. Where applicable, previous years' results have been modified to enable comparison to current year results.

#### 1.3 Revenue

Income is recognised to the extent that it is probable that the economic benefits will flow to the Association and can be measured reliably. The following specific recognition criteria must also be met before revenue is recognised.

#### **Award Registration Fees**

Registration fees are recognised as income when the enrolment application is complete.

#### **Government Grants**

Government Grants are recognised as income when the right to the income passes to the Association usually over the period to which the grant applies.

#### Interest

Interest revenue is recognised as it accrues, using the original effective interest rate of the instrument calculated at the acquisition or origination date.

#### **Donations**

Donations collected are recognised as revenue when the Association gains control, economic benefits are probable, and the amount of the donation can be measured reliably

#### 1.4 Income Tax

No provision for income tax has been raised, as the Association is exempt from income tax under Division 50 of the Income Tax Assessment Act 1997.

#### 1.5 Cash and Cash Equivalents

Cash and cash equivalents comprise cash on hand and demand deposits, together with other short-term, highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value

#### f) Plant and Equipment

Plant and equipment are initially recognised at acquisition cost, including any costs directly attributable to bringing the assets to the location and condition necessary for it to be capable of operating in the manner intended by the management.

Plant and equipment are subsequently measured using the cost model, cost less subsequent depreciation and impairment losses.

Depreciation is recognised on a straight-line basis to write down the cost less estimated residual value of buildings, plant and other equipment. The following useful lives are applied:

Class of Fixed Asset

**Depreciation Rate** 

Plant and Equipment

33% - 50%

Material residual value estimates and estimates of useful life are updated as required, but at least annually.

Gains or losses arising on the disposal of plant and equipment and studio are determined as the difference between the disposal proceeds and the carrying amount of the assets and are recognised in profit or loss within other income or other expenses

#### g) Trade and Other Receivables

Trade and other receivables include amounts due from donors and any outstanding grants receipts. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

#### h) Trade and Other Creditors

Trade and other creditors represent the liability outstanding at the end of the reporting period for goods and services received by the Association that remain unpaid.

#### i) Government Grants Received in Advance

Grants that have been received during the year for a period extending beyond the balance date are pro-rated on a time basis so that the proportion applying to future periods are taken to be received in advance.

#### j) Provisions

Short-term employee benefits

Short-term employee benefits are benefits, other than termination benefits, that are expected to be settled wholly within twelve (12) months after the end of the period in which the employees render the related service. Examples of such benefits include wages and salaries and non-monetary benefits. Short-term employee benefits are measured at the undiscounted amounts expected to be paid when the liabilities are settled.

#### k) GST

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

Cash flows are presented in the statement of cash flows on a gross basis, except for the GST components of investing and financing activities, which are disclosed as operating cash flows.

#### I) Deferred Income

The Association during the year received a Capital Expenditure Grant from Lotterywest. The Grant has been treated as a Deferred Income Liability. Grant Income brought to account in the Profit and Loss for 2018-2019 year directly relates to items purchased and treated as an expense plus the depreciation charge on the assets purchased from the related Grant

#### m) Financial Instruments

#### Recognition, Initial Measurement and Derecognition

Financial assets and financial liabilities are recognised when the Association becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted by transactions costs, except for those carried at fair value through profit or loss, which are measured initially at fair value. Subsequent measurement of financial assets and financial liabilities are described below.

Financial assets are derecognised when the contractual rights to the cash flows from the financial asset expire, or when the financial asset and all substantial risks and rewards are transferred. A financial liability is derecognised when it is extinguished, discharged, cancelled or expires.

#### Classification and Subsequent Measurement of Financial Assets

All financial assets are subject to review for impairment at least at each reporting date to identify whether there is any objective evidence that a financial asset or a group of financial assets is impaired. Different criteria to determine impairment are applied for each category of financial assets, which are described below.

All income and expenses relating to financial assets that are recognised in profit or loss are presented within finance costs or finance income, except for impairment of trade receivables which is presented within other expenses.

#### Receivables

Receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. After initial recognition, these are measured at amortised cost using the effective interest method, less provision for impairment. Discounting is omitted where the effect of discounting is immaterial. The Association's trade and most other receivables fall into this category of financial instruments.

Individually significant receivables are considered for impairment when they are past due or when other objective evidence is received that a specific counterparty will default. Receivables that are not considered to be individually impaired are reviewed for impairment in groups, which are determined by reference to the industry and region of a counterparty and other shared credit risk characteristics. The impairment loss estimate is then based on recent historical counterparty default rates for each identified group.

#### Classification and Subsequent Measurement of Financial Liabilities

The Association's financial liabilities include trade and other payable.

Financial liabilities are measured subsequently at amortised cost using the effective interest method.

All interest-related charges and, if applicable, changes in an instrument's fair value that are reported in profit or loss are included within finance costs or finance income.

### Board's declaration for the year ended 30 June 2020

The Board has determined that the Award is not a reporting entity.

The Board has determined that this special purpose financial report should be prepared in accordance with the Association Incorporation (WA) Act and accounting policies outlined in Note 1 to the financial statements.

In the opinion of the Board the financial report as set out on pages 3 to 17:

- 1. presents fairly the financial position of Awards WA Inc. as at 30 June 2020 and its performance for the year ended on that date; and
- 2. at the date of this statement, there are reasonable grounds to believe that Awards WA Inc. will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the Board and is signed for and on behalf of the Board by:

#### INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF AWARDS WA INC.

#### Opinion

We have audited the financial report of Awards WA Inc. (the Registered Association), which comprises the statement of financial position as at 30 June 2020, statement of profit or loss and other comprehensive income, statement of changes in equity, statement of cash flows for the year ended, and notes to the financial statements, including a summary of significant accounting policies, and the certification by members of the Board on the annual statements giving a true and fair view of the financial position and performance of the Association.

In our opinion, the accompanying financial report of the Registered Association is in accordance with Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012* (ACNC Act) and *Associations Incorporation Act 2015* (WA), including:

- giving a true and fair view of the Registered Association's financial position as at 30 June 2020 and of its financial performance for the year then ended; and
- (ii) complying with Australian Accounting Standards, Associations Incorporation Act 2015 (WA) and Division 60 of the Australian Charities and Not-for-profits Commission Regulation 2013.

#### **Basis for Opinion**

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Association in accordance with the ACNC Act, the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion.

#### Information Other than the Financial Report and Auditor's Report Thereon

The Board is responsible for the other information. The other information comprises the information included in the Registered Association's annual report for the year ended 30 June 2020 but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

#### INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF AWARDS WA INC.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

#### Emphasis of Matter - Basis of Accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the Registered Association's financial reporting responsibilities under the ACNC Act and Associations Incorporation Act 2015 (WA). As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

#### Responsibilities of the Board for the Financial Report

The Board of the Registered Association is responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the ACNC Act and is appropriate to meet the needs of the members. The Board's responsibility also includes such internal control as the Board determines is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Board is responsible for assessing the Registered Association's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the Board either intends to liquidate the Registered Association or to cease operations, or has no realistic alternative but to do so.

#### Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud of error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, internal omissions, misrepresentations, or the override of internal control.

### INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF AWARDS WA INC.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that
  are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
  effectiveness of the Registered Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board.
- Conclude on the appropriateness of the Board's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Registered Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the association to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicated with the Board regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
