## **Social Media Post**

When was the last time you made mention of Ignite Award on your website, social media accounts or newsletter? It's important that Participants and families stay connected to the Award. Content ideas may include:

- Ideas for activities to do aligned with what is on offer through the your organisation
- Good news stories, such as a Participant who has recently received an Award
- Reminder of Ignite Leader details at the Award Agent
- A blurb about the Award and how it can support a young person's development

## **Presentation and Club Meeting Requests**

Have you held a presentation to potential or existing Participants recently? Presentations are able to be supported by the Ignite Team and can be done via Zoom and Microsoft Teams or in person.
