## Award Program Requirements

(Please detach and keep this page for your records)

The Ignite Award is a challenging program of discovery for young people aged 10 – 14 and provides a framework to learn valuable skills, assist others in the community and experience some adventures. It is a great tool for young people to transition into secondary school and fosters positive self development and leadership skills.

There are 4 levels of the Ignite Award:

- Levels 1 & 2 (suggested starting ages 10/11 years)
- Levels 3 & 4 (suggested starting ages 12/13 years)

To achieve any level of the Ignite Award, young people create a unique program of four activities: Physical Activity, Hobby, Volunteering and Adventure. Young people can complete the activities in a single session, however we encourage them to undertake their activities over a period of time.

### Hobby
