

SPONSORSHIP OPPORTUNITY

Supporting The Duke of Edinburgh's
International Award and Ignite Award

Awards WA

ABOUT US

Awards WA (formally The Duke of Edinburgh's Award in Australia (WA Division) Inc., has been providing services and support to young people since 1962, starting with The Duke of Edinburgh's International Award and since 2018, Ignite Award.

Awards WA's purpose is to provide, promote and preserve a framework of Award participation that equips, engages and empowers all young people in Western Australia to explore their potential.

We partner with organisations working with young people to provide Award programs that can be implemented into their structure/framework to engage and develop their young people. How the Award programs are actually implemented is totally driven and designed around the young person and their specific requirements and capabilities.

INTRODUCING NOAH RYAN

Muscular Dystrophy WA (MDWA) has been able to deliver The Duke of Edinburgh's International Award to their community through the fantastic relationship and support received from Awards WA. Now in its fifth year, the Award Program has gone from strength to strength, giving real opportunities to deserving young people with muscular dystrophy.

Noah Ryan (21) is one of those young people. He has Duchenne muscular dystrophy and under encouragement from MDWA, registered for his Bronze Level. Under the Award Framework, Noah visited a local retirement village spending time with the residents; started bush walking giving him the

opportunity to explore areas he hadn't previously; travelled around Perth photographing landscapes. During this time, Noah discovered a passion for photography and found a great joy for the art.

His Adventurous Journey took him to Margaret River region exploring the beaches, the Boranup Forest, Cape Leeuwin Lighthouse and Mammoth Cave. The journey made Noah step out of his comfort zone and rely on external supports.

"The main point of the weekend away was to get me out of my comfort zone, not having to rely on the support of my family, but instead enjoy time with friends and support workers" Noah said. While on his journey, Noah was inspired to create his 'Prints of Peace' Exhibition, a collection of his landscape photography work.

Noah is truly grateful for his experiences thus far "Doing the Award really helped me get out of my comfort zone and gave me a sense of direction at a time in my life when I needed it" he said.

WHY SPONSOR AWARDS WA?

Awards WA believe that equipping young people with the skills and confidence to discover their potential has never been more important. But we can't do any of it without people and organisations like you. With your support, we can help even more young people across Western Australia to dream big and find out what they are truly capable of achieving. We invite you to join us in championing the next generation.

Our Award programs:

The Duke of Edinburgh's International Award

Today's young people face a broad range of challenges. If they are to succeed, they need the skills, resilience and understanding to help them take on whatever life may throw their way.

The Duke of Ed Award helps young people aged between 14 – 25 to do just that – to find their purpose, passion and place in the world. To develop the character and confidence to take the future in their stride.

Ignite Award

A challenging program of discovery for young people aged between 10 and 14 providing a framework to learn valuable skills, increase fitness, assist others in the community and experience adventures.

Ignite Award is a great tool for young people to transition into secondary school and fosters positive self-development and leadership skills.
