

**Award Agent** is proud to offer Ignite Award to our students. Ignite Award is all about young people aged 9-13 years participating in activities which are interesting, exciting and heaps of fun. Along the way, they will help others, get fit, and learn skills and talents. All of these things are waiting to be discovered through Ignite Award!

To achieve any Award Level, participants must do a **Physical Activity** (such as sport or dance); learn or improve a **Hobby** (such as art, music or cooking); **Volunteer** time to help someone or a charity (this could be at school or in the community); and plan, prepare and undertake an **Adventure** (such as an excursion, bushwalk or overnight camp).

Participants are free to choose your activities depending on interests and needs, and be trying new things, improving old things and giving learning a big boost!

Most of all, the Award is designed to be fun and fulfilling and **Award Agent** is keen to ensure this is the case.
